Jack Walden: Paul McGowan Grab Hire - Fleet Manager

1. Challenge

Paul McGowan Grab Hire consider the safety of their employees and the public as paramount.

Alongside their grab and tipper wagon hire, they operate a quarry, supply construction materials to industry and run a recycling operation, therefore, prevention of risk is key to keep the business operating day by day.

3. Benefit

Paul McGowan Grab Hire have found the implementation of pre-employment screening invaluable. They have reduced their overall exposure to health and safety related risk by ensuring they never knowingly employ someone who is or has recently been under the influence of drugs.

2. Solution

Pre-employment screening was considered the best way to guarantee the safety of all drivers and operators at Paul McGowan Grab Hire.

Following information and best practice from D.tec, Paul McGowan Grab Hire were able to make an informed decision and purchase the most effective drug screener at a competitive price.

4. Result

Pre-employment drug screening has given Paul McGowan Grab Hire the reassurance that their employees are fit to get behind the wheel and operate their machinery safely and responsibly.

‘D.tec are a reliable and reactive business that provides us with the solution we need to minimise our exposure to unnecessary risk’.
